READ CAREFULLY:

- I understand that under state and federal confidentiality provisions only the information specified can be released to the specified person or agency. (CFR – 42, part 2, KAR 30-60-47(b) (5), AAPS guidelines, Chapter 7).
- I understand that FSGC cannot ensure that the recipient will maintain confidentiality of this authorized release of information.
- I understand that enrollment, eligibility, payment, or treatment is not conditioned upon the execution of the authorization.
- I understand that if the person or entity that receives the information is not a health care provider or health plan covered by federal privacy regulations, the information described above may be re-disclosed and no longer protected by those regulations.
- I understand that certain persons or organizations may not re-disclose substance abuse treatment information. (42 CFR, part 2) and that if my treating providers disclose my substance use disorder treatment records pursuant to this consent, the recipient will be provided a notice of nondisclosure.
- I understand that I may revoke this authorization at any time (except to the extent that action has been taken in reliance upon it) by providing written notice of revocation to FSGC.
- I understand that Protected Health Information provided on portable electronic media will not be encrypted and may be at risk for inadvertent disclosure if lost or stolen. By requesting the use of portable electronic media, I accept this risk.
- I understand that fees may be charged for preparing and sending copies of records.
- I understand that if I wish to restrict the release of documents or communication I should request the Request to Restrict Uses and Disclosures of Protected Health Information Form.
- I acknowledge that I have had the opportunity to ask and receive answers to all questions and have been offered/provided a copy of this release.

Prohibition on Redisclosure: This information has been disclosed to you from records protected by federal confidentiality rules (42 CFR Part 2). The federal rules prohibit you from making any further disclosure of information in this record that identifies a patient as having or having had a substance use disorder either directly, by reference to publicly available information, or through verification of such identification by another person unless further disclosure is expressly permitted by the written consent of the individual whose information is being disclosed as otherwise permitted by 42 CFR Part 2. A general authorization for the release of medical or other information is not sufficient for this purpose (see § 2.31). The federal rules restrict any use of the information to investigate or prosecute with regard to a crime any patient with a substance use disorder, except as provided at §§ 2.12(C)(5) and 2.65.
